Item: c. REPORT 21-0374 STATUS UPDATE AND DISCUSSION OF OPTIONS FOR
TEMPORARY EXPANDED OUTDOOR DINING AND RETAIL AND TEMPORARY LANE
RECONFIGURATIONS IMPLEMENTED TO HELP BUSINESSES DURING THE COVID-19
PANDEMIC (Environmental Program Manager, Doug Krauss)

eComment: Outdoor dining at the expense of the businesses around it doesn't make sense. I am
a local resident and the parking situation on Pier Ave is horrible due to all the outdoor dining. My
sister owns a boutique on Pier Ave. and her entire business is blocked by the outdoor dining, not
to mention that the owner of the restaurant tricked her by saying it would only take up one
parking spot, when in fact it takes up 4-5! She is considering a law suit as it's affecting her
business with now zero parking, and the fact that her store front is completely blocked by
umbrellas, tables, etc. This is yet another example of the city acting without any kind of
thoughtful plan. Get it together Hermosa city officials. There can easily be other way to support
outdoor dining at the expense of the actual restaurant's parking / store front, not others.
