Item: c. REPORT 21-0374 STATUS UPDATE AND DISCUSSION OF OPTIONS FOR
TEMPORARY EXPANDED OUTDOOR DINING AND RETAIL AND TEMPORARY LANE
RECONFIGURATIONS IMPLEMENTED TO HELP BUSINESSES DURING THE COVID-19
PANDEMIC (Environmental Program Manager, Doug Krauss)

eComment: I feel that the council should look into the UPAC report that was created in a lengthy
process back when the one-lane configuration went before where they were redoing upper Pier
Avenue and that the committee report stated that it should go back to four lanes also that there
would be NO NET loss of parking and that more parking actually needed to be added so this
goes against what was a well thought out process and this can be found at Hermosa Beach
UPAC report for upper Pier Avenue and I think it's really important that you know that there are
ONE hundred twenty-five parking spaces that go from Hermosa Avenue all the way up to Valley
Drive ! Include the rest of the businesses in your notice of this plan. !
