Honorable Mayor and Members of the Hermosa Beach City Council Regular Meeting of November 10, 2020

LOS ANGELES COUNTY FIRE SERVICES AND AMBULANCE MONTHLY REPORT FOR SEPTEMBER 2020 (Emergency Management Coordinator Brandy Villanueva)

Recommended Action:

Staff recommends that the City Council receive and file the September 2020 Fire and Ambulance monthly report.

Executive Summary:

City departments generate monthly reports to provide a snapshot of activities performed each month. Prior to the transition of fire and ambulance transport services to the County of Los Angeles, the Hermosa Beach Fire Department developed monthly response reports. After the transition, the monthly report was updated to include Los Angeles County Fire Department and McCormick Ambulance information and continues to be uploaded to the website. This report provides details for the services provided for the month of September 2020.

Background:

At the February 11, 2020 Council meeting, City Council requested to have the monthly reports placed onto the City Council agenda under the consent calendar. On the July 14, 2020 Council agenda, the monthly reports for February through May 2020 were provided and accompanied by a detailed staff report explaining the change. This report reflects the services for September 2020.
